Issue:	When:	
1) MARIA GIUSEPPA DI MUCCIO	10 March 1829	Piedimonte d'Alife
2) VINCENZO DI MUCCIO	11 July 1831	Piedimonte d'Alife
3) MARIA ANTONIA DI MUCCIO	18 October 1837	Piedimonte d'Alife
4) GIOVANNI BATTISTA DI MUCCIO	24 June 1840	Piedimonte d'Alife
5) GIUSEPPE DI MUCCIO	23 December 1842	Piedimonte d'Alife
6) SALVATORE DI MUCCIO	6 July 1846	Piedimonte d'Alife
7) FILOMENA DI MUCCIO	27 September 1849	Piedimonte d'Alife

Both families were affiliated with the *Chiesa di Santissima Annunziata de la Vallata*. PASQUALE was baptized there on 8 January 1803, his godmother being MARIA BRANDO. ANTONIA was baptized there on 30 December 1805, her godmother being SERAFIA DI FUSCO.

Notification of their *Intent to Marry* was posted on 14 December 1828. Their license, dated 3 January 1829, states that PASQUALE was a miller, as was his father. ANTONIA'S father is also listed as a miller. They were married at *Chiesa di Ave Gratia Plena* in the presence of LUIGI BOGGIA and FILIPPO MANTANARO. This was recorded in Book 3 of Marriages.

ANTONIA was expecting her daughter MARIA GIUSEPPA at the time of their wedding. They were living on *Strada Vicinato* where they stayed until 1846 at least. By 1848, 5 of their 7 children had died: VINCENZO on 28 March 1832, just under 1 year old; MARIA ANTONIA on 11 July 1839 at 21 months; GIOVANNI BATISTA on 15 December 1840 at 6 months old; GIUSEPPE on 17 March 1844 at 15 months, and SALVATORE on 17 January 1848 at 17 months. With the death of this last son, the name DI MUCCIO, as descended through PASQUALE, faded away, unless another, as yet unidentified, son was born and survived, a distinct possibility given the oft times lengthy periods between births, though no such birth appears in the records of Piedimonte. Sometime in the latter half of 1846 or in 1847 they moved to *Strado Capovallata*. They may have lived on *Strada San Filippo* for a short time in 1849 when FILOMENA was born, but they were back on *Strado Capovallata* in 1851. All their children were baptized at *Chiesa di Ave Gratia Plena*.

ANTONIA IACUZIO, wife of *PASCALE* DI MUCCIO and daughter of the late GAETANO & the

late VINCENZA died at 3 am on the 30th of July 1874 where she lived on *Strada Capovallata*. Her age is given as 70 with *bracciale* as her profession. *Bracciale* and *bracchiante* both translate as manual laborer (*brach* = upper arm) but their particularly meaning is that of farm laborer where one works on a farm for the owner. The informants were GIROLAMO ORSINI, 49, and MARCELLINO DI FRANCESCO, 38, both civil servants (*servanti entrambi*).¹ PASQUALE DI MUCCIO died on 13 November 1877 at *No. 5 via Renunciata* and the grave diggers FABIO FERRAZA, 71, and ANGELO PALUMBO, 51, removed his body from the premises at 4 pm. The informants were GIROLAMO ORSINI, 56, civil servant, and GIUSEPPE BARONE, 37, municipal guard (policeman). They state that PASQUALE was 79 (born 1798) and was employed as a *bracchiiale* or farm laborer; he was the *widower* of ANTONIA IACUZIO and the son of *the late* VINCENZO DI MUCCIO, workman, and *the late* VITTORIA DI FUSCO who was also designated a *bracchiiale*.²

Notes:

Possible son/s of Pasquale:

Antonio DiMuccio, b c1852, and wife Giammosina Bianca, had Carmela DiMuccio on 4 Feb 1877 (Nascita, 1877, No. 32, image 100 of 3021, Film 007063123). Carmela, 1, died on 2 February 1878, daughter of Antonio DiMuccio and Jammolino Bianco (Morti, 1878, No. 20; image 427 of 3021, DGS 007063123). Antonio could be an unidentified son of Pasquale and Antonia.

Giovanni Antonio Di Muccio was b c 1848/49. He married Margherita Di Fusco by 1875 but their marriage was not found in a search of the marriage registers from 1866 through 1875. On 12 July 1875 their son Pasquale was born; he died 6 months later. Father named as *Antonio* in birth register and *Giovanni* in death register both have Margherita DiFusco named as the mother. (Nascita, 1875, No. 116, image 2646 of 2988 and Morti, 1875, No. 151, image 2788 of 2988, DGS 007063122; have copies) *Giovanni Antonio* could be a child of Pasquale and Antonia born between Salvatore and Filomena.

There was another Vincenzo Di Muccio, b c1839 who married Vittoria Pirazza, that is easily mistaken for a son of Pasquale but they were having children at the same time as Pasquale and Antonia.
